What is the Union of Working Consumers of Greece?

It is a Union of Consumers which was created by workers for the workers, the unemployed, the retired persons.

Its function started in December of 2009 and it is registered in the Register of Consumers Unions of the Hellenic Ministry of Development.

Why to be a member of the Union of Working Consumers of Greece?

- √ I improve my consumer consciousness, acquire rational consumer behavior
- √ I learn my rights and obligations as a consumer
- √ I have legal representation in the settlement of my debts with the Banks
- √ I can enter the provisions of the Law 3869/2010 and pay my loan tranche according my economic status
- √ I evaluate the connection of quality/price of the products I consume and the services I receive
- √ I denounce every misguided and abusive practice of the suppliers
- √ I can address to EEKE in order to solve problems that I deal in my daily transactions
- √ I participate in Social Markets abolishing the mediators
- √ I fight against expensiveness, profiteering, avarice
- √ I learn to rationally manage my income
