Final Event - Transnational Meeting for the Erasmus+ European Program entitled "Development of Key Competences of Adults by Innovative Program of Consumer Education"

Within the framework of the Erasmus+ European Program entitled "Development of Key Competences of Adults by Innovative Program of Consumer Education", the Union of Working Consumers of Greece in collaboration with Consumer Associations from Slovakia, Czech Republic, Lithuania and Italy, after a study based on focus groups to collect data from the experience of unemployed adults, up to 29 years in Consumer Education, created an Innovative Educational Program.

The final transnational meeting took place through teleconference due to Covid-19 crisis. All partners were presented and exchanged experiences during the implementation of the program which was very different due to worldwide pandemic which was not permitted the mobility of partners but also the total participation of the project's target group.

The teleconference was successful and all partners wished a continuous enhanced collaboration between the organizations.
